What I hope to bring to the School Council* (12 lines max.):

During the past year both Emiko and I successfully served as Primary Parent Representatives of the French section. Our team of six members worked very hard and relentlessly to relay and address the parents' concerns and suggestions (bi-lingual class, bus, canteen, uniforms, Mandarin, group levels, environment, etc.) We worked closely with the pedagogical teams and head of school to find the best solutions for our school and our community. Despite it having been a challenging year for all, we always provided a calm, fair, professional and unbiased representation of our parents' voices. The coming year will reveal many changes and challenges and we would appreciate the opportunity to continue offering our professional and invaluable experience to help assist the pedagogical team and the Board in reuniting the community and taking our school to the next level of excellence.
