Copyright Notice

These photos are for viewing and selection purposes only and are protected by the Hong Kong Copyright Ordinance. It is unlawful to copy these images without our permission. Even though the pictures may be of you or your child, the photographer owns the copyright to the image. Techn Photo retains the copyright and ownership of all images from the photo session and you are not allowed to copy any image for any purpose without purchasing the appropriate license. If you are interested purchasing a print, private or commercial reproduction license, please inquire about our digital file purchase options. Once you have purchased your images, we will remove the large watermark for delivery.

- 5) You will be able to see your individual image as well as your group photo if you have taken them. (Please be aware of the order deadline highlighted in red so as not to incur any late charges, it's to ensure that the production time will be on schedule and every one will be able to receive the order on time.)

- 6) Scroll down to see the packages offered and select the packages you wish to purchase. You may purchase more than one.

- 7) There are items which are grayed out, which means you must select a package A, B, C etc. in order to be eligible to purchase them (i.e. Retouch, Wallet Specials, Key Tags, etc).
- 8) Once you are finish selecting the package(s) and other items please review your order on the bottom of the page. (Please note, any amendment should be made at this time as each time you login it will be treated as a new order). Once you are satisfied with the order and ready to pay please press "Proceed to Payment". This will bring you to another web site for processing your payment. Just follow the instructions, and once the payment is successful and accepted by the PayDollar gateway, will be returned to our web site then shortly you will receive an email confirming your order.
