

**Saturday 11 November 2017 - 9am to 4pm,
34 Price Road, Jardine's Lookout**

Primary and secondary school students, parents and staff of the FIS are invited to swim a few lengths. They will need to find someone to sponsor them with either a total amount for the distance they swim or an amount per length swum.

Profits will be given to a charity supported by FIS.

A team composed of judges and volunteers (parents, friends etc...) will count the number of lengths swum and record them on a "Swimmer's certificate". Participants will then be able to collect donations from their sponsors.

The best swimmers of the primary and secondary schools will be awarded.

SWIMMER'S CERTIFICATE

Full name and class

Has swum..... meters, or.....lengths.
