

Saturday 9 March 2019 - 9am to 5pm

34 Price Road, Jardine's Lookout

Primary and secondary school students, parents and staff of the FIS are invited to swim a few lengths. They will need to find someone to sponsor them with either a total amount for the distance they swim or an amount per length swum. Profits will be given to a charity supported by FIS.

A team composed of judges and volunteers (CAS students, parents, friends etc...) will count the number of lengths swum and record them on a "Swimmer's certificate". Participants will then be able to collect donations from their sponsors.

The best swimmers of the primary and secondary schools will be awarded.
