One debenture for each student attending FIS must be acquired before entry unless such student is the nominee of an existing debenture. The admission of the student shall only be confirmed upon full payment of a debenture before the date indicated by FIS in the Offer Email.

All debentures are refundable. FIS is entitled to postpone repayment for a period of 10 years from the date of redemption application. FIS reserves the right to deduct any outstanding monies due to FIS from the redemption value of the debenture.

Corporate debenture, category A

Category A debentures are intended only for purchase by a company incorporated in Hong Kong.

These corporate debentures are transferable to another pupil upon payment of a reallocation fee of \$25,000.

When a debenture is reallocated, payment must be made for the difference (if any) between the original debenture amount and the current debenture amount before the date indicated by FIS in the Offer Email, prior to the student starting at FIS.

Private debenture, category B

Category B debentures are for Parents paying the student's FIS Fees. No corporate payment is accepted for this category of debenture or student's Tuition Fees when a private debenture is chosen. This type of debenture is not transferable to another student.

Terms of payment

All invoices shall be paid within thirty (30) days after the date of the invoice issued by FIS.

FIS shall send invoices to Parents through the Parent Portal and by email only. Parents are responsible for ensuring they have access to the Parent Portal and provide FIS with a current email address.

All payments to be made to FIS in accordance with the Terms and Conditions shall be made in the currency as designated on the invoice. Any charges (including but not limited to bank transfer charges, foreign exchange conversion charges...) shall be borne by the remitter.

Unless stated otherwise, payments shall be made by direct debit. Other forms of payment e.g. cheque, bank transfers or HSBC bill payments shall not be accepted save at FIS' sole discretion. The remitter must pay any and all charges so that fees are received in full by FIS.

Parents and Non-Parent Payers who have agreed to pay FIS Fees are jointly and severally liable to FIS for the FIS Fees and for interest on any overdue amounts (whether formally demanded or not), at the rate of one (1%) per cent per calendar month, compounded, from the due date until payment, without prejudice to any other rights or remedies of FIS.
