

## Candidate to the Board

# Prasoon AGARWAL

### EXPERIENCE/AREAS OF EXPERTISE RELEVANT TO THE SCHOOL AND THE BOARD

More than 15 years of professional experience in international and diverse financial organizations.

Main areas of expertise include:

1. Governance
2. Business Strategy
3. Financial Planning
4. Risk Management

### WHAT I SEE AS PRIORITIES FOR THE SCHOOL IN THE NEXT 3 TO 5 YEARS

#### Students

Inspiring environment to achieve their all round full potential. International minded and adapt to fast changing external environment.

#### Staff

School of choice for their value add & professional development.

#### Community

Well respected & top of mind school.

#### Governance

Sustainable structure to support growth.

### HOW I EXPECT TO CONTRIBUTE AS A BOARD DIRECTOR

Leverage my professional experience and network to help with strategic priorities outlined - especially with governance, strategic / business planning, financial sustainability and discipline.

I have been a volunteer member of Governance Committee for past 6 months or so. This has given me good understanding of the priority & working of the Board / Committee as well as the team. Further enhancing my confidence in ability to add value and willingness to contribute.
